

YOGA VIDYA, BAD MEINBERG 04-06 JULY 2018

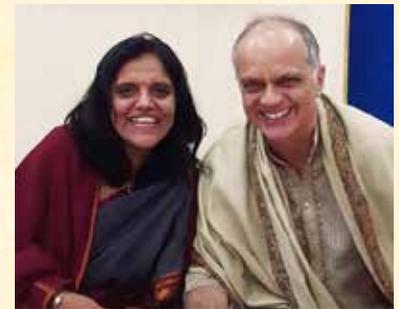

The Vision of Bhagavad Gita

For centuries the Bhagavad Gita has remained the single most influential spiritual text shaping thought and life of many spiritual seekers across the globe. It is a dialogue between Lord Krishna and the prince-warrior Arjuna in the middle of the battle field, when Arjuna found himself questioning the way to gain fulfilment and the choice of action.

Lord Krishna reveals to us through Arjuna the most attractive way to understand life and recognize our connection with the universe. This vision enables us to view life as a great opportunity to utilize our talents, skills and contribute to the well-being of ourselves and others; and in the process, free ourselves from guilt, hurt and fears.

Neema Majmudar and **Surya Tahora** have studied with Swami Dayananda Saraswati, renowned scholar of Vedanta. Both have gone through intensive courses of Vedanta studying texts such as Upanishads, Bhagavad Gita and many scriptures in great depth with the commentaries of Śankara, and the Panini system of Sanskrit grammar. They have been teaching Vedanta in India and abroad for several years. Neema and Surya teach in a captivating way, with story telling, traditional chanting and guided meditations.
