“No human being, now or before, can remain or make one’s life without relating to the world. Relating is both inevitable and a necessity. When it is inevitable, then one should necessarily know how to relate without being bound.”

Swami Dayananda

We will work on how to develop healthy relationships with people and be free in relationships from disturbed relationships (characterized by control, judgement, intolerance etc.). The seminar contains interactive sessions in the form of individual, partner and group work as well as lectures and meditations on the basis of the book by Neema / Surya: “Living The Vision of Oneness”.

The authors of the book Neema Majmudar & Surya Tahora have studied with Swami Dayananda Saraswati, renowned scholar of Vedanta. Both have gone through intensive courses of Vedanta studying texts such as the Upanishads, Bhagavad Gita and many scriptures in great depth with the commentaries of Śankara, and the Panini system of Sanskrit grammar. They have been teaching Vedanta in India and abroad for several years. You can read more about their work on their website:
